Teachers' manual
which accompanies
this book.**

Written by Diana Kleyn of Michigan to accompany Carine Mackenzie's catechism you will find this book a great teaching resource.

It is full of practical teaching ideas and additional information to make your lesson's on the Christian faith full of biblical truth.

ISBN: 1-85792-701-X

On the Way Teaching Materials

Children can and should be taught from the very earliest age about the God who made them and loves them. *The Beginning with the Bible Series* is a three book series that is designed to help parents and teachers to simply and clearly explain fundamental truths of the Christian message to the very youngest children.

**Beginning with the Bible - First Class
Beginning with the Bible - Old Testament
Beginning with the Bible - New Testament**

Other material available in *The On The Way* For more details and information about future product please contact Christian Focus Publications on 01862871 011
